## Welcome to the Electronic General Meeting System (eASY.KSEI) User Guide!

This User Guide will instruct you, as a Shareholder, on how to view the vote result report from a General Meeting of Shareholders (GMS) through the eASY.KSEI application (<http://easy.ksei.co.id/egken>).

You can use the same username or e-mail address you have used during the AKSes registration process. If you do not have a username or have not registered, please visit the AKSes website (<https://akses.ksei.co.id>) and register as instructed in the eASY.KSEI User Guide – Registering and Logging-In as a Shareholder.
